

Mission LIC Regular Meeting

January 21, 2013

Members Present: Donnie Headbird, Karyn Wind, Kim Needham, Bev Beaulieu

Members Absent: Leonard 'Jess' Headbird

Guests: Val Pacheco- Tribal Development

Meeting Called to Order at 6:11 PM

New Business: Val informed us that the ICB grant is available and that the Mission Community Center is priority. The grant is due in March and we will know 3 to 4 months after that if we are approved. The building will be similar to Sugar Point Center. If approved hopefully our new center will be completed by the end of the year.

Bev will deliver a copy of tonight's meeting minutes to Val tomorrow to enclose with the grant of our agreement to proceed with those plans.

Mission LIC will take a trip to Sugar Point on Thursday January 24, 2013 to tour their facility.

Mission LIC is requesting a gas voucher for Karyn for our trip to Sugar Point on Thursday the 24th.

For the next regular meeting we will send out a flyer for a Potluck Meeting to try and get more Community involvement. Bev will make the flyer and get it mailed out as soon as possible.

Mission LIC is concerned as to how much money the band will be paying to have two centers open as the current center will stay intact. We will get a utility cost on the current building from accounting.

Mission LIC is concerned about how close to the new road the new center will be located. Bev will get a copy of the new road placement and also a copy of the Sugar Point building plans.

Mission LIC wants to hold a Ceremony prior to groundbreaking of the new center, and also have someone sage the old center. We will speak to Jess about who can do this for us.

Ceremonies are going on at Gabby's on Thursday evenings at 6:00 PM everyone is welcome to attend.

Meeting adjourned at 7:05 PM
