

March 12th OLIC mtg

Mtg called to order at 6:14 by
Chairman Victor Thompson

members present Victor Thompson, Faye

We need a brand new Community Center
for Onigum. We have been asking for
one a long time. Our community is
growing and the center we have now
is way too small for what it is used
for. Wakes, funerals, gatherings, meeting
place to name a few. We feel that
we deserve a new center with a gym.
Our children are very athletic
and need to express themselves with
basketball and other sports.

There have been other issues that Onigum
has been overlooked. Example, Toys for Tots,
coat giveaway. Our youth would
benefit from these projects. Also, our
Elderly Nutrition site needs to be updated.
This could be part of the new
Community center.

Orinquin Fishing Tournament to be held March 15 10-2:30 at the Island. Food provided by the Northern Lights Casino. We have received a \$1,000.00 donation from the Walker Area Foundation which will be used for the door prizes. There will be 3 age categories 0-6, 7-12, 13-17, Boys and Girls.

April Family Gathering - dedicated to Eli. Will set up time and get Dave Cronin or Gilbert Applebee to come and play music.
