

## MEDICAL BENEFIT CONSENT FORM

If you have requested a full medical (mileage, meals, and lodging) you will need to keep and return the lodging receipt. If you are issued a room at one of the designated hotels we use, you must use the room or otherwise cancel it. If you are a no-show to the designated hotel, we may get billed for it. You will then be required to sign a payback agreement and will not be allowed any further assistance until the full amount for the hotel room is paid. You must also follow the designated hotel's policies. If there is damage to a room at the designated hotel in which you are staying, we may get billed for it. You will then be required to sign a payback agreement and will not be allowed any further assistance until the full amount for the hotel room damage is paid. You must also have the Appointment or Visitation Verification form completed by the staff at the medical facility where your appointment has taken place or the medical facility you are visiting. **You will not be allowed further assistance until we have received the Lodging receipt along with your Verification form.**

If you have not requested a full medical you will only need to turn in the Verification form you were issued. **You will not be allowed further assistance until we have received your Verification form.**

By signing this form you are agreeing that the medical benefits you receive will be used for the purpose intended. Also, you are agreeing to all of what was mentioned above. Submission of false information will be grounds for dismissal or interruption of any future assistance from the Tribal Referral Program.
